Volvo	85103338	12V Starter for Volvo with Volvo D12 years 1998 - 2006	VV0279

- Easy installation : Weights only 29 pounds
- Designed and engineered for Durability and Long Life: Built to handle high start-stop applications, rugged thermal extremes and extended crank times – no OCP required
- Draws less current when cranking: Easier on batteries
- Smart Design: no rotatable nose housing to come apart
- Many All Makes Applications: There is a compatible starter for virtually every truck/engine combo built since 1998
- All Diamond Gard parts come with a three-year, unlimited mile, no-fault warranty covering parts and labor. “No-fault” means all failures are covered – NO DENIALS. In addition, there are no cores and the warranty re-clocks, meaning all warranty replacement parts come with their own three-year/unlimited mile warranty.
